| | |
|--------------------------------------|---|
| Overview | <p>Thank you for your interest in auditioning for Studio C's 2016-2017 Competition Company or our C Club. This document should answer your questions related to our competition audition.</p> <p>Auditions are held annually and anyone interested in being with the company must audition. Current members of the Dance Company are required to audition every year. No one is promised a position in the company.</p> <p>There is a place for every dancer at Studio C no matter the skill level. In addition to the competition company, Studio C offers technique classes and recreational classes in tap, lyrical, jazz, ballet, hip hop, pointe and contemporary.</p> |
| Audition Cost | <p>The Cost is \$35.00 per STUDENT. Your fall registration fee will be waived.</p> <hr/> |
| What Should I Wear? | <p>Come ready to audition!</p> <p>Girls! Please come dressed in <u>black</u> (leotard, dance shorts, tank, and or sports bras are all expectable) Hair must be pulled back in a neat bun. Bring all dance shoes and a water bottle.</p> <p>Boys! Please wear solid black shorts and a t-shirt, body armor, or muscle shirt.</p> <hr/> |
| Who judges? | <p>The studio owner and the instructors will run the audition and make the company selections. All decisions are final.</p> <p><u>Please do not audition for a dance line you are not committed to stay on.</u></p> <hr/> |
| How Many Lines Will There Be? | <p>The number of lines will be determined by the number of dancers that qualify at the line level. The studio owner and instructors will evaluate each participant's skills, and make the determination on the number of lines and the number of dancers on each line. Please be aware your child might be selected to do more than one dance in the same style depending on lines and teacher discretion (ex. small jazz line, large jazz line). Auditions are mandatory to make the competition company. If you are unable to make auditions because of previously scheduled vacations or events, Studio C will set up a private audition.</p> <hr/> |

What Skills Do I Have to Know For Auditions?

As well as the general grasp of dance technique, the judges will be looking at turns, leaps, jumps, flexibility, extensions, attitude, performance, improvisation and overall ability. Most skills have been taught during summer classes. Audition Routines for those auditioning for the C Club, Cuties, Candies and Juniors have been taught during summer classes and will be reviewed during the last week of summer classes. Audition routines for the Competitive Company will be taught the day of auditions.

Can I Schedule Extra Practices With A Teacher?

Extra practices with the instructors are allowed. Please check with the Director to schedule private rehearsals.

When Will I Find Out If I Made The Company?

Final results will be emailed the next day (noon) to the parents of the students that have auditioned.

What Happens After Try-Outs?

Classes will start the week of August 29th. Additional competition co. information will be distributed after auditions. A post mandatory parent meeting is scheduled for Monday August 8th AT 7:00pm.

Those that don't make the 2016-2017 company or C Club are encouraged to audition next year, and are strongly encouraged to attend studio technique classes throughout the year and summer technique classes to prepare for next year's auditions. Recreational classes begin August 22nd.
